Re: Grant #2362

Dear Dr. Weber:

As indicated in my letter to you earlier this year, The Council for Tobacco Research approved a contribution of $2500.00 to help defray the costs of the FASEB summer conference *"Molecular Mechanisms of Carcinogenesis"* to be held in Copper Mountain, CO, August 13-18, 1989. A check for that amount now has been sent to the FASEB office in Bethesda. Someone from The Council will contact you later concerning who will represent us at the Conference. We are looking forward to an interesting and informative session.

Sincerely,

Harmon McAllister
